

SUNRAY GARMENTS

Hosiery Manufacturers & Exporters

Certified Exporter from India

Welcome to Sunray Garments

We are one of the SA 8000 Certified Manufacturer & Exporters of quality Knitted and Woven Garments from Tirupur, India.

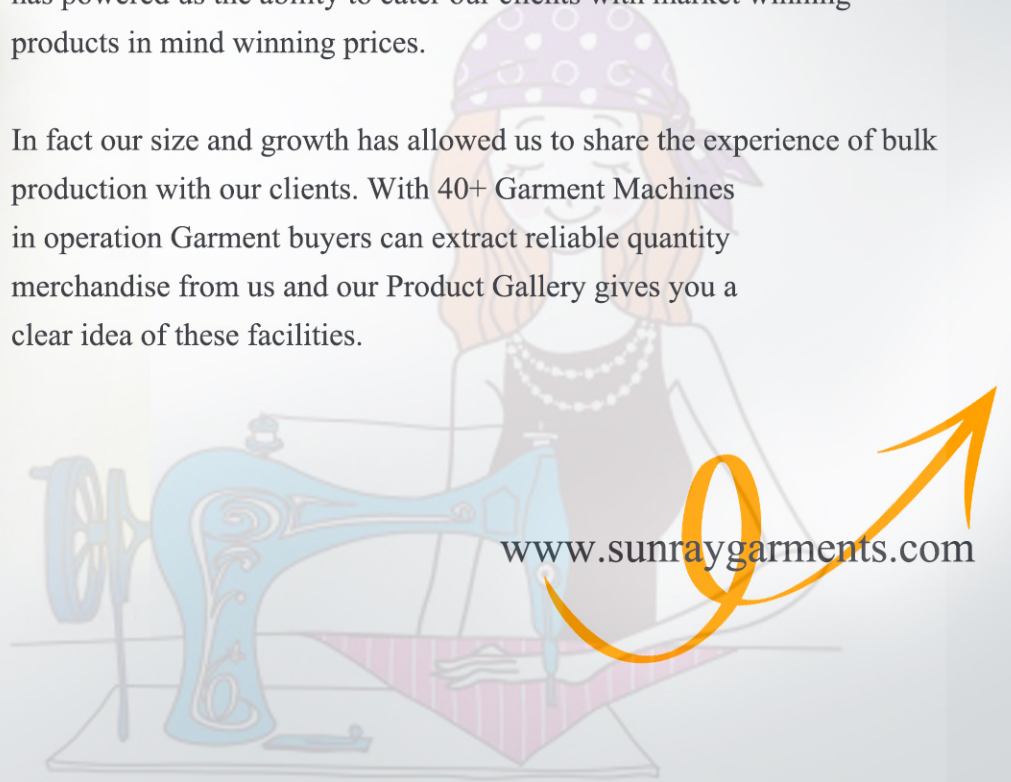

We are exporting quality garments to a tune of 12,000 pcs per month and our yearly turnover crosses INR 6.75 crore.

Established in the year 2005, as a garment exporter, Today Sunray garments has multiplied manifold as a well equipped garments exporter, within stiff competition on cost and quality. Our success is clearly due to the committed quality and cost effective management. 18 years of experience has powered us the ability to cater our clients with market winning products in mind winning prices.

In fact our size and growth has allowed us to share the experience of bulk production with our clients. With 40+ Garment Machines in operation Garment buyers can extract reliable quantity merchandise from us and our Product Gallery gives you a clear idea of these facilities.
